

Attention **New Holland** Dealers!

NEW LEON GZ400 'Custom Blue' 8 Way Pull Scrapers Now Available

Yorkton, SK – October 1st, 2013 - LEON'S MFG. COMPANY INC. proudly offers **NEW LEON GZ400 Pull Scrapers custom powder painted to match New Holland Tractors**. The **LEON GZ 400 Industrial Strength Pull Scraper unit** is built for heavy duty agricultural and industrial tasks on farm, construction sites, roadways, and for municipal applications. This all-purpose - all season unit is rated for tractors up to 425 horsepower.

- Unique LEON Exclusive Arched Boom provides optimum visibility and maneuverability
- 8 Way blade adjustment – hydraulic lift/dig, angle, tilt, and 10 foot offset to left and/or right
- Achieve maximum material runoff capability, off road grading, plus superior ditching, drainage, and landscape performance.
- Choice of 12ft, 14ft, and 16ft ripple formed blades for clean roll off of dirt and snow
- Standard Swivel Hitch Tongue or optional clevis swivel hitch available.
- Standard weight box for additional stability on slopes and bumpy terrain
- Hydraulic Cushion Valve standard to protect against blade obstacles
- Heavy Duty Large Width Floatation Truck Tires provide maximum load rating and superior smooth operation in fields and on roads
- RAM Industrial Strength Cylinders provide optimal performance in demanding conditions
- Swing away box end plates and additional concrete weights are amongst popular options
- Optional **baked on custom blue powder paint** provides a tough durable finish and a perfect match to your **New Holland tractor**.
